## #THELIST: ANNA FURNEY'S GUIDE TO SUMMER'S BEST EXHIBITS

*From Los Angeles to Paris.*

# 4

*Adrienne Rubenstein*

**White Columns, New York (Through July 16)**

Rubenstein is a brilliant curator and an incredibly thoughtful painter. It is an early moment in the career of this young artist—one that Roberta Smith writes in the NYT has a "bright future." [whitecolumns.org](http://whitecolumns.org)
